- Homosexuality and bestiality were punishable by death under the law

Lev 20:13,15

If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: **they shall surely be put to death**; their blood *shall be* upon them.

And **if a man lie with a beast**, **he shall surely be put to death**: and **ye shall slay the beast**.

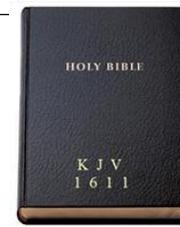

- The fallen angels caused all flesh to corrupt God's way upon the earth
- God's WAY (Heb. derek) was that everything reproduce after it's OWN KIND

Gen 6:12; 1:21,24-25

And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted **his way** upon the earth.

And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, **after their kind**, and every winged fowl **after his kind**: and God saw that *it was* good.

And God said, Let the earth bring forth the living creature **after his kind**, cattle, and creeping thing, and beast of the earth **after his kind**: and it was so.

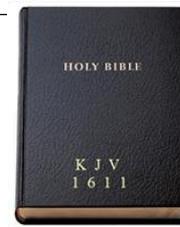

As It Was In The Days Of Noah And Lot

- God endowed all life with the ability to reproduce after it's own kind- even animals of a different genus (e.g.- horse and donkey) can reproduce if they are of the same kind (e.g.- equidae) but their hybrid offspring (e.g.- mule) are often sterile, meaning one cannot breed hybrids
- Even if sexual relations occur between two different KINDS, divinely appointed bounds prevent any offspring from the union (e.g.- a cat and a dog cannot produce offspring together)
- According to scripture, angels were not created to reproduce- they are immortal so there is no need; they are all “male” so there is no means

Matt 22:30

For in the resurrection they neither marry, nor are given in marriage, but are as the angels of God in heaven.

- Since the union of fallen angels and women is one of STRANGE flesh then it should have been impossible to produce offspring (just like it is impossible for homosexuals to produce offspring)
- In some way however, the fallen angels acquired the ability (i.e.- the seed) to procreate with women
- This procreative ability could have also extended to animals

As It Was In The Days Of Noah And Lot

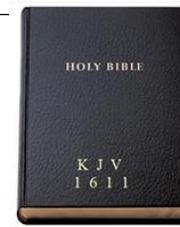

- Man was wicked and evil, but what these angels did was the “final straw” that brought God’s judgment of the Flood
 - They broke the bounds God directed between the spirit world and the physical world
 - They broke the reproductive bounds God directed by fornicating with women and producing the giants (Heb. nephilim)- a mutant hybrid race that greatly exacerbated violence in the earth
 - They corrupted human and animal DNA through cross-breeding and genetic manipulation- they may have produced chimera from different kinds of animals (e.g.- griffins) and half human/half animal monstrosities (e.g.- satyrs; centaurs)
 - Only Noah and his progeny were perfect (i.e.- “without blemish; whole”)

Gen 6:9,12-13

These *are* the generations of Noah: Noah was a just man *and* **perfect in his generations**, *and* Noah walked with God.

And God looked upon the earth, and, behold, it was corrupt; for **all flesh had corrupted** his way upon the earth.

And God said unto Noah, The end of all flesh is come before me; for **the earth is filled with violence through them**; and, behold, I will destroy them with the earth.

As It Was In The Days Of Noah And Lot

- All the pagan mythologies tell of instances when the “gods” took a different form (Acts 14:11) and had sexual relations with human beings (both men and women), often producing supernatural offspring- the demigods
- Zeus was the master rapist: (1) he seduced Danae in the form of a golden rain shower and begat Perseus; (2) he seduced Alkmene disguised as her own husband and begat Hercules; (3) he seduced Leda in the form of a swan and begat twins; and (4) he seduced Europa in the form of a bull and begat three sons (one was Minos the king of Crete, who had the labyrinth built and fed people to the minotaur)

- Cave markings and ancient tablets all over the world tell of a time when “star” (Rev 1:20) beings visited the earth and gave advanced knowledge to humans
- The records indicate that humans worshipped these beings and even had sexual relations with them

- Many of the gods of ancient Egypt and Hinduism are depicted as half human half animal, or chimeras

- The pseudepigraphal books of 1 Enoch, Jasher (which is a counterfeit of the book of Jasher mentioned in the Bible), and Jubilees give a historical but UNINSPIRED account of what occurred in Genesis 6
- Bible-believing Christians need to be careful not to allow curiosity to drive them to extra-Biblical sources in an attempt to obtain knowledge of things the Lord has intentionally not revealed to us in scripture cf. (Gen 3:5)
- All these non-Biblical sources are a grain of the truth but perverted- all we need to know about what happened in Genesis 6, how, and why is found in our King James Bible

Luke 17:26

And **as it was in the days of Noe**, **so shall it be** also in the days of the Son of man.

Can/will there be another extra-terrestrial invasion?

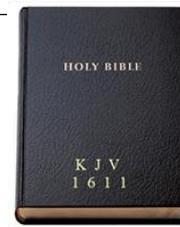

Can/will there be a reappearance of giants?

It has already happened...

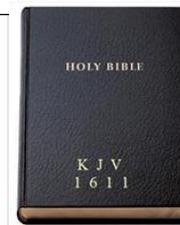

As It Was In The Days Of Noah And Lot

Gen 6:4

There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare *children* to them, the same *became* mighty men which *were* of old, men of renown.

- The phrase ALSO AFTER THAT refers to the giants that were in the earth after the days of Noah
- The word GIANT(S) appears 21x and is translated from three Hebrew words: nephiyl (3x); rapha (17x); and gibbowr (1x)
- The word GIANT has 5 letters (5= # of DEATH)
- A total of five (5= # of DEATH) races of giants are mentioned in Deuteronomy 2
 1. Emims (Deu 2:10)- destroyed or displaced by the Moabites
 2. Anakims (Deu 2:10)
 3. Horims (Deu 2:12)- destroyed or displaced by the Edomites
 4. Zamzummims (Deu 2:20)- destroyed or displaced by the Ammonites
 5. Avims (Deu 2:23)- destroyed or displaced by the Caphtorims
