Mystery, Babylon The Great (Pt.1)

- The north pole of earth is not the only one with intrigue
- The Voyager 1 and Voyager 2 space missions (1980-1981) revealed a HEXAGON fixed at the north pole of the planet SATURN
- So the SIXTH planet from the sun, with SIX letters in its name, has a SIX-sided figure in its head
- The hexagon is located at 78° N (13 x 6)
- There is no similar pattern at Saturn's south pole

- The HEXAGON is the shape of a HONEYCOMB and seems to be appearing everywhere in commercial advertisement
- Related to the hexagon is the HEXAGRAM, a six-pointed star, formed by overlapping an equilateral triangle (i.e.- 3 sides of 60° each) with an inverted equilateral triangle
- The MINGLING of these two OPPOSITE triangles symbolizes the slogan, “as above, so below”, which is the Satanic counterfeit of “Thy will be done in earth, as it is in heaven” (Matt 6:10)
- A variation of the same symbol is the Masonic square and compass
- It also symbolizes the mingling of the “gods” with men (Gen 6:2; Dan 2:43)

- The hexagram is also known as the “star of David”, the symbol of the Jewish people and the nation of Israel
- A hexagon is formed within the “star of David” and by connecting all six points
- An encircled hexagram is also known as the “seal of Solomon” and is used prominently in the occult and Satanism
- The hexagram is also referred to as the “star of SATURN”

- The “star of David” may actually be in fact the “star of Saturn” or Chiun (the ancient name for the planet SATURN)

Amo 5:26

But ye have borne the tabernacle of your Moloch and Chiun your images, the star of your god, which ye made to yourselves.

Acts 7:43

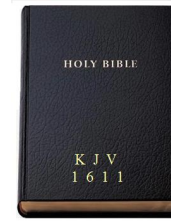

Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon.

- Saturn (L. *Saturnus*) is a name derived from the Etruscan name *Satre*, which referred to a god of the underworld
- In Roman mythology, Saturn (Gr. *Kronos*) was one of the children of Caelus (Gr. *Uranus*) the primal god of the sky, and Terra (Gr. *Gaia*) the primal goddess of the earth (i.e.- mother earth)
- Caelus's reign was marked by tyranny so Saturn overthrew him and became the supreme deity cf. (Isa 14:12-14)
- Saturn was also the god of generation, wealth, abundance, agriculture, and time
- As the latter, he is depicted as “Father Time”, an elderly bearded man, dressed in a robe carrying a scythe and an hourglass (or other timekeeping device)
- Saturn was the wielder of lightning
- Saturn's reign is depicted as a GOLDEN AGE of plenty and peace when all human beings were said to be equal

- It was foretold that one day a mighty son of Saturn (i.e.- Jupiter) would overthrow him so in order to prevent this from occurring, Saturn devoured all of his children as soon as they were born cf. (Rev 12:4)
- Out of fear of having her son Jupiter devoured, Ops (Gr. *Rhea*) hid her son and offered Saturn a large stone wrapped in swaddling clothes in his place cf. (1 Pet 2:7-8; Luke 2:7)
- Saturn was eventually overthrown by Jupiter
- The temple of Saturn was located in the Roman forum at the base of the Capitoline Hill and housed the state treasury
- The greatest of all Roman festivals, the *Saturnalia*, was held in his honor each year between December 17-23 as a festival of light leading to the winter solstice
- The timing of the Saturnalia corresponded with Saturn's association with time, especially the transition to a new year- his aged appearance represented the waning of the old year with the birth of a new year

- During the Saturnalia, the social restrictions of Rome were relaxed; it was a time of feasting, revelry, and gift giving
- The revelry was supposed to reflect the conditions of the lost “Golden Age” before the rule of Saturn was overthrown
- Later in the Roman empire, the renewal of light and the coming of the new year was celebrated on December 25th- the “Birthday of the Unconquerable Sun”
- The planet SATURN and SATURDAY (i.e.- Saturn’s day) are named after him
- Saturn’s rule during the Golden Age was from the soils of ROME

- The Revised Roman empire will not only be mingled with spiritual beings from BELOW, but also with spiritual beings from ABOVE
- Empires, nations, and cities have earthly rulers but they are vassals to the SPIRITUAL principalities and powers over them in high places (i.e.- the SHADOW government and global CONSPIRACY is in HIGH places; the spiritual realm)

Eph 6:12

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

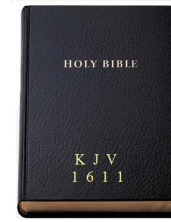

Dan 10:13,20-21

13 But the prince of the kingdom of Persia withstood me one and twenty days: but, lo, Michael, one of the chief princes, came to help me; and I remained there with the kings of Persia.

20 Then said he, Knowest thou wherefore I come unto thee? and now will I return to fight with the prince of Persia: and when I am gone forth, lo, the prince of Grecia shall come.

21 But I will shew thee that which is noted in the scripture of truth: and *there is* none that holdeth with me in these things, but Michael your prince.

- All of the spiritual principalities over NATIONS are fallen angels (with the exception of Michael the archangel who is over the nation of Israel) and are under Satan, who is the prince of this WORLD
- All of these fallen angels will be cast down with Satan to the earth during the Tribulation and will resume their rule on the earth

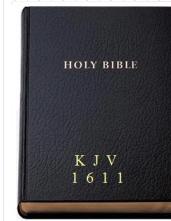

John 12:31

Now is the judgment of this world: now shall the prince of this world be cast out.

Rev 12:9

And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

- Their “arrival”, possibly in the form of an extra-terrestrial civilization, is depicted repeatedly in science fiction media
- Two examples include the TV series “V” and the Arthur C. Clarke novel *Childhood’s End*
