## 4) Mt. Hermon

### Deu 3:8-10

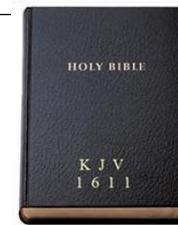

And we took at that time out of the hand of the two kings of the Amorites the land that *was* on this side Jordan, from the river of Arnon unto **mount Hermon**;

(Which Hermon the Sidonians call Sirion; and the Amorites call it Shenir;)

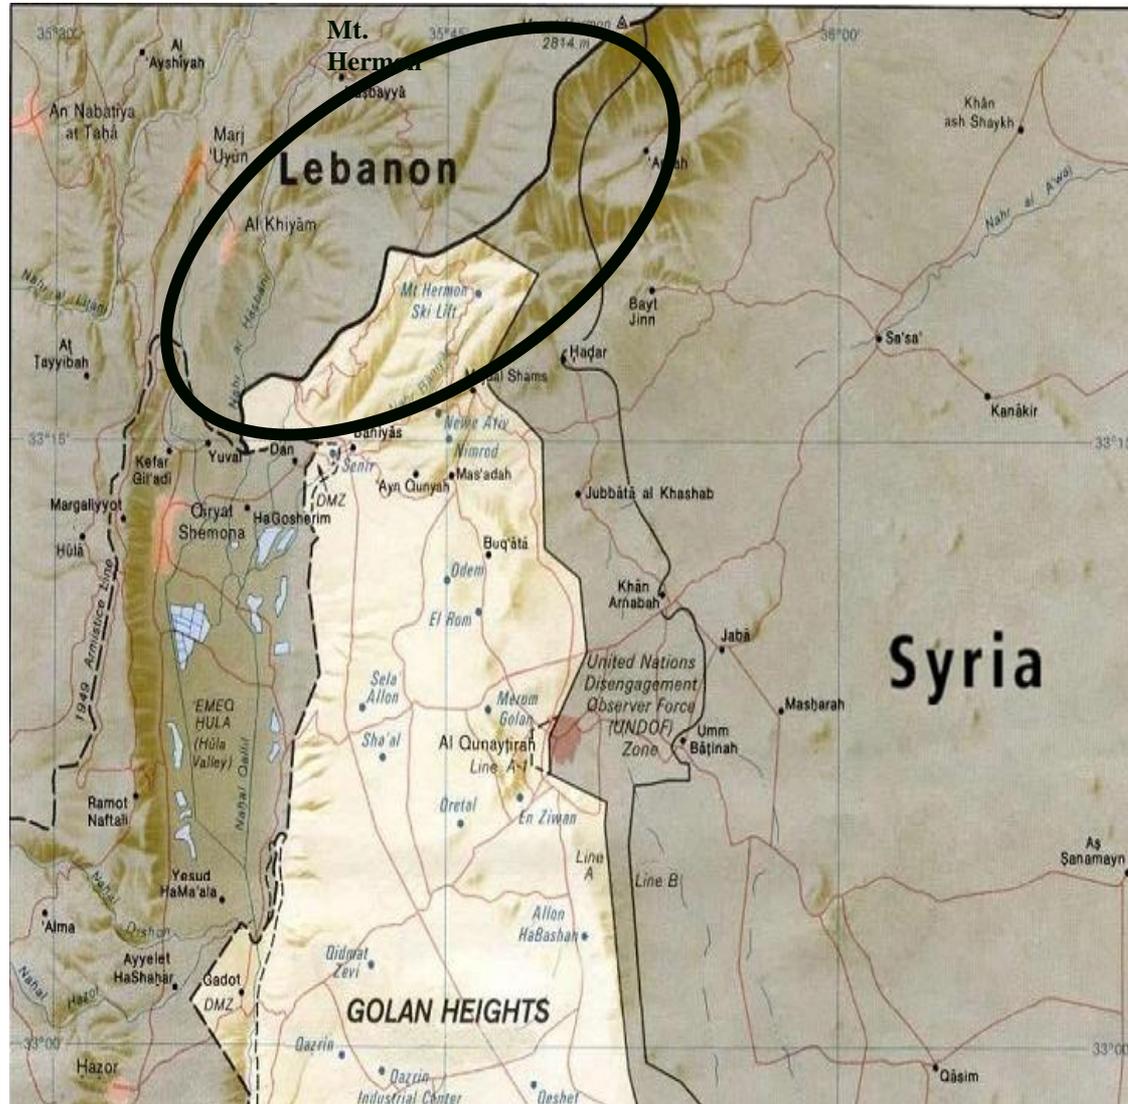

All the cities of the plain, and all Gilead, and all Bashan, unto Salchah and Edrei, cities of the kingdom of Og in Bashan.

- HERMON= Heb. *Chermown* meaning, “a sanctuary”; from the root word *charam* meaning, “to ban; devote; destroy”; it appears 52x (4 x 13) in scripture and is translated **“destroy; accursed; forfeited”**
- HERMON appears 13x (# of REBELLION)
- Mt. Hermon’s summit straddles the border between Lebanon and Syria on **the 33<sup>rd</sup> parallel** (N); southern slopes are located in the Golan Heights
- Mt. Hermon was the northern border for the ancient nation of Bashan, which prior to Israel’s conquest was ruled by Og (a GIANT) and called **“the land of giants”** (Deu 3:13)

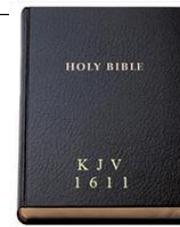

# Fallen Angels And Giants

## 5) Hebron (Kirjath-arba)

### Num 13:22

And they ascended by the south, and came unto Hebron; where Ahiman, Sheshai, and Talmai, the children of Anak, were. (Now Hebron was built seven years before Zoan in Egypt.)

### Jos 14:15

And the name of Hebron before was Kirjatharba; which Arba was a great man among the Anakims. And the land had rest from war.

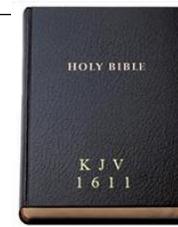

## 6) The Valley Of The Son Of Hinnom (The Valley Of The Giants)

### Jos 18:16

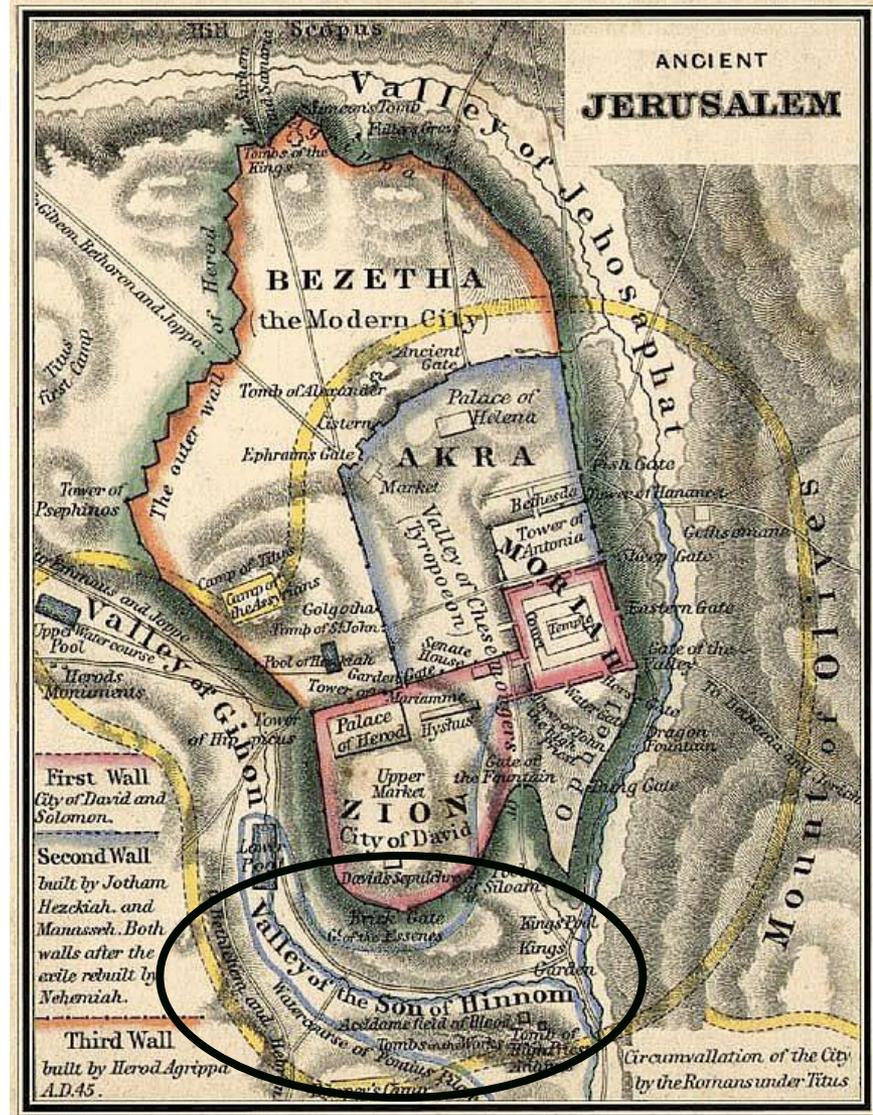

And the border came down to the end of the mountain that *lieth* before the valley of the son of Hinnom, and which is in the valley of the giants on the north, and descended to the valley of Hinnom, to the side of Jebusi on the south, and descended to Enrogel,

- Hinnom was the place where children were sacrificed in the fire to Molech
- Jesus Christ likened this place to the lake of fire

- 7) Philistia- David and his mighty men destroyed Goliath and his four sons (4= # of the SPIRIT REALM); this may be why David took FIVE stones with him to battle (1 Sam 17:40)

## Jos 11:22

There was none of the Anakims left in the land of the children of Israel: only in Gaza, in Gath, and in Ashdod, there remained.

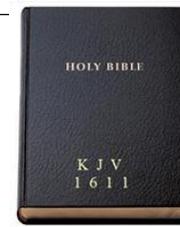

## 1 Sam 17:4

And there went out a champion out of the camp of the Philistines, named **Goliath, of Gath**, whose height *was* six cubits and a span.

## 2 Sam 21:22

These four were born to the giant in Gath, and fell by the hand of David, and by the hand of his servants.

# Fallen Angels And Giants

- Goliath and his sons are the last giants given by name

## 2 Sam 21:16-18

And **Ishbibenob**, which *was* of the sons of the giant, the weight of whose spear *weighed* three hundred *shekels* of brass in weight, he being girded with a new *sword*, thought to have slain David.

But Abishai the son of Zeruiah succoured him, and smote the Philistine, and killed him. Then the men of David swore unto him, saying, Thou shalt go no more out with us to battle, that thou quench not the light of Israel.

And it came to pass after this, that there was again a battle with the Philistines at Gob: then Sibbechai the Hushathite slew **Saph**, which *was* of the sons of the giant.

## 1 Chr 20:5

And there was war again with the Philistines; and Elhanan the son of Jair slew **Lahmi** the brother of **Goliath** the Gittite, whose spear staff *was* like a weaver's beam.

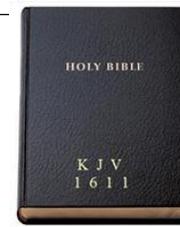

## 2 Sam 21:20-22

And there was yet a battle in Gath, where was **a man of great stature**, that had on every hand six fingers, and on every foot six toes, four and twenty in number; and he also was born to the giant.

And when he defied Israel, Jonathan the son of Shimea the brother of David slew him.

**These four were born to the giant in Gath, and fell by the hand of David, and by the hand of his servants.**

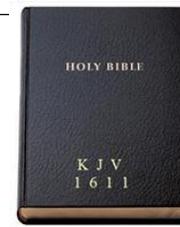

# Fallen Angels And Giants

## 4. Associations Of The Post-Flood Giants

- They were MIGHTY and CHAMPIONS (Heb. *Gibbowr*), meaning they had superhuman and godlike strength and abilities (Gen 6:4; 1 Sam 17:51)
- They are called MEN (Gen 6:4; Jos 14:15; 2 Sam 21:20; 1 Chr 20:6) in the same sense that angels are (Gen 19:15-16); it isn't that they ARE men, but they APPEAR like men (it is a COSMETIC likeness not a GENETIC likeness)
- There is no mention of female giants just as there is no mention of female angels
- They ate people (Num 13:32)
- The Anakims are descendants of the pre-Flood giants (Num 13:33)
- They are associated with iron (Deu 3:11) cf. (Dan 2:43; Gen 6:2)
- As hybrids, they should not be able to reproduce, but the fact Anak had sons (Num 13:33), as did Og (Num 21:35) and Goliath (2 Sam 21:22), proves they have procreative abilities
- They are associated with sexual perversion (e.g.- incest)- one of Goliath's sons was also his brother (2 Sam 21:19,22)

# Fallen Angels And Giants

Alt. Pleasant  
Bible Institute

- They have six fingers on each hand and six toes on each foot (2 Sam 21:20)
- They were responsible for introducing or facilitating wickedness in the land cf. (Gen 6:4-5,13; Psa 106:35)

## Deu 9:4

Speak not thou in thine heart, after that the LORD thy God hath cast them out from before thee, saying, For my righteousness the LORD hath brought me in to possess this land: but for **the wickedness of these nations** the LORD doth drive them out from before thee.

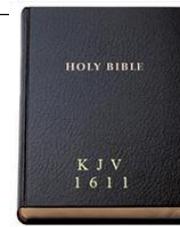

- They appear to decrease in height over the course of time, as their DNA becomes increasingly mingled with human DNA

## Amo 2:9

Yet destroyed I **the Amorite** before them, **whose height was like the height of the cedars**, and he *was* strong as the oaks; yet I destroyed his fruit from above, and his roots from beneath.

- The Amorites were among the first giants, east of the Jordan river
- Cedar trees can grow over 100 feet tall so they were between 30-100 feet tall

# Fallen Angels And Giants

Alt. Pleasant  
Bible Institute

- The pre-Flood giants must have been even taller than this given the geological conditions before the Flood

## Job 16:14

He breaketh me with breach upon breach, **he runneth upon me like a giant.**

## Num 13:22-23,33

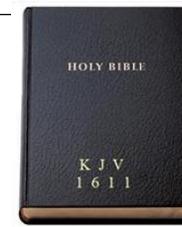

And they ascended by the south, and came unto Hebron; where Ahiman, Sheshai, and Talmi, the children of Anak, *were*. (Now Hebron was built seven years before Zoan in Egypt.)

And they came unto the brook of Eshcol, and cut down from thence a branch with **one cluster of grapes, and they bare it between two upon a staff**; and *they brought* of the pomegranates, and of the figs.

And there we saw the giants, **the sons of Anak**, *which come* of the giants: and we were in our own sight as **grasshoppers, and so we were in their sight**.

- Giants during the time of Job were tall enough to stomp a normal man under foot
- The Anakims at the time of Kadesh-barnea were tall enough that the grapes of Eschol were bite size and the Israelites were like grasshoppers (i.e.- bugs) in their sight- this is between 24 and 36 feet tall

# Fallen Angels And Giants

Alt. Pleasant  
Bible Institute

## Deu 3:11

For only Og king of Bashan remained of the remnant of giants; behold, his bedstead *was* a bedstead of iron; *is* it not in Rabbath of the children of Ammon? nine cubits *was* the length thereof, and four cubits the breadth of it, after the cubit of a man.

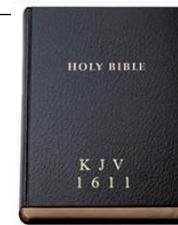

- Og was tall enough to require a bed 13.5 feet long- he was probably between 12-13 feet tall
- His bed was also six feet wide so the implication is that Og was a giant all around (OG means “round”)- he fits the description of an OGRE

## 1 Sam 17:4

And there went out a champion out of the camp of the Philistines, named Goliath, of Gath, whose height *was* six cubits and a span.

- A cubit is 18 inches and a span is nine inches
- Goliath was between nine and 10 feet tall

# Fallen Angels And Giants

Mt. Pleasant  
Bible Institute

## HOW BIG WERE THE GRAPES?

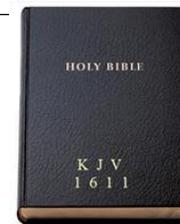

And they came unto the brook of Eshcol, and cut down from thence a branch with one cluster of grapes, and they bare it between two upon a staff; and they brought of the pomegranates, and of the figs.

- Numbers 13:23 (KJV)

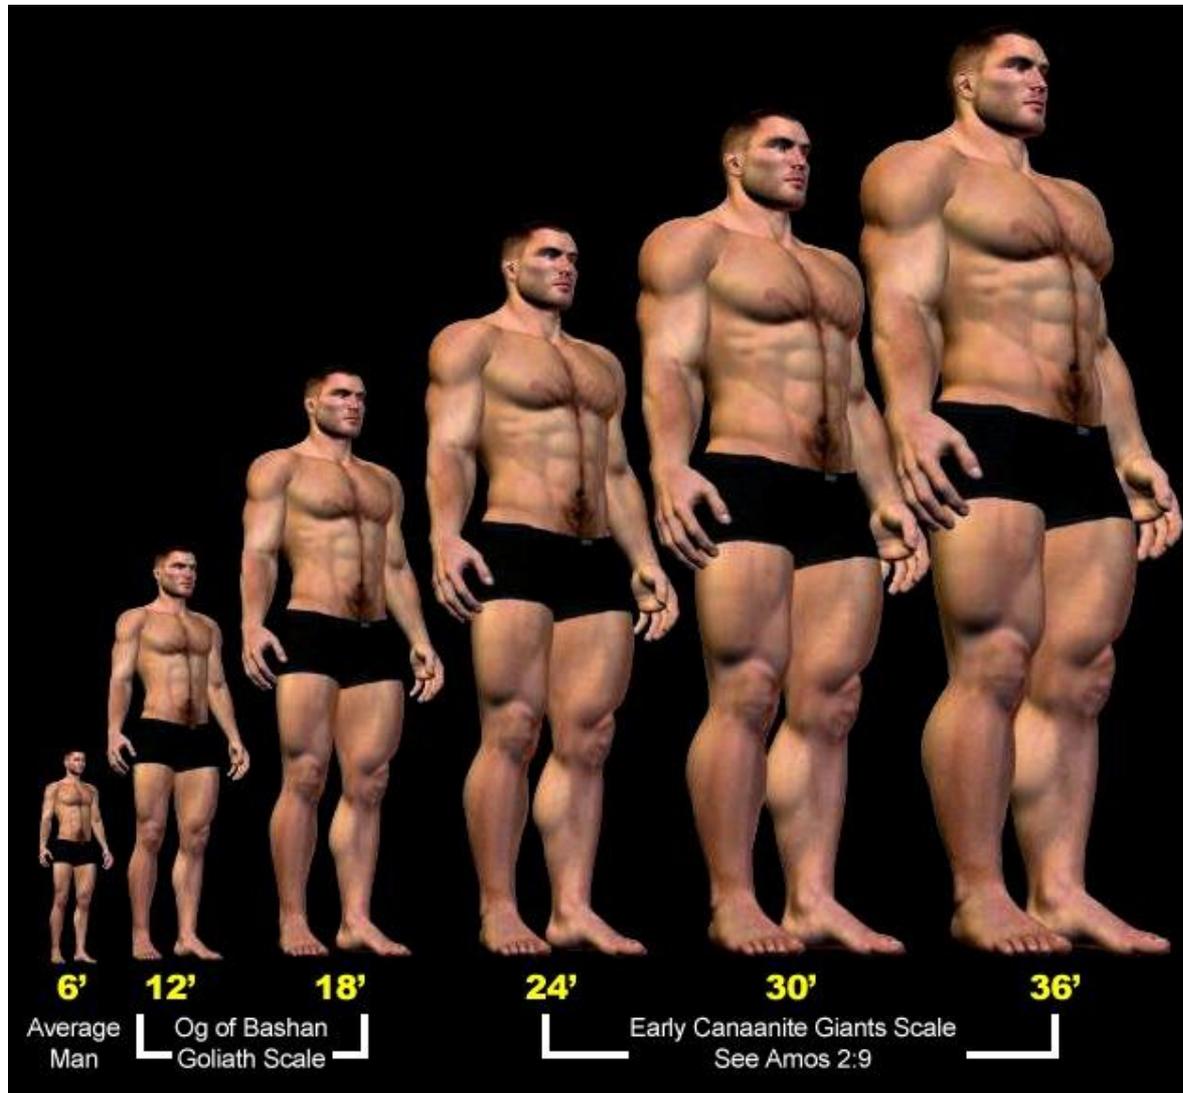

scaled size for a 36 ft. giant

6' 12' 18' 24' 30' 36'

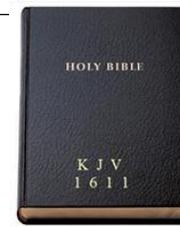

# Fallen Angels And Giants

- There is no mention of any giants following the death of Goliath's sons (1 Chr 20:8) unless the Avites (2 Kin 17:31) were giants
- Were the giants destroyed from the earth with the death of Goliath and his sons or are they still with us today? Has their DNA been mingled with human DNA for the past 3,000 years?
  - Giants were GLOBAL before the Flood, but the implication is that they were REGIONAL after the Flood, confined to the area of the Promised land
  - This implication could be due to the fact that with the call of Abraham, God's primary dealing with man is through the Jew so scriptural history is focused on them henceforth
  - There is no indication that giants were in Egypt during the time of Joseph or thereafter; otherwise, would they not have assisted the Jewish slave labor in building the treasure cities of Egypt (Exo 1:11) since they allegedly assisted in building the pyramids?
  - There is archeological evidence of giants all over the world
  - David is a type of Christ and his mighty men are a type of the heavenly army that accompanies Christ at his Second Coming- the defeat of Goliath and his sons would seem to indicate an END to the tyranny of giants and the onset of PEACE from their presence

# Fallen Angels And Giants

Alt. Pleasant  
Bible Institute

- If giants were destroyed from the earth with the death of Goliath and his sons, it appears the post-Flood giants were on the earth for about the same amount of time as the pre-Flood giants- 1,200 years
  - The pre-Flood giants appear to have originated just shortly before the birth of Jared due to the meaning of his name
  - JARED= Heb. *Yered* meaning, “descent” from the root word *yarad* meaning, “to descend; to go downwards to a lower region; to fall; to come down”
  - Jared was born in 3544 BC and the Flood occurred in 2348 BC- a total of 1,196 years
  - The post-Flood giants ended with the death of Goliath’s sons in 1037 BC- 1,200 years earlier is 2237 BC- around the time of the tower of Babel and the rule of NIMROD
