Dan 1:1-2

1 In the third year of the reign of Jehoiakim king of Judah came Nebuchadnezzar king of Babylon unto Jerusalem, and besieged it.

2 And the Lord gave Jehoiakim king of Judah into his hand, with part of the vessels of the house of God: which he carried into the land of Shinar to the house of his god; and he brought the vessels into the treasure house of his god.

- Nebuchadnezzar, the king of Babylon, came to Jerusalem and besieged it in the THIRD YEAR of Jehoiakim
- This is a type of the Antichrist who will come to Jerusalem and besiege it in the middle of the Tribulation (3 ½ years)

Lam 4:12

The kings of the earth, and all the inhabitants of the world, would not have believed that the adversary and the enemy should have entered into the gates of Jerusalem.

Dan 9:27

And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

2 The 2:4

Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God **sitteth in the temple of God**, shewing himself that he is God.

Rev 11:2

But the court which is without the temple leave out, and measure it not; for it is given unto the Gentiles: and **the holy city shall they tread under foot forty and two months.**

- Nebuchadnezzar took some of the vessels from the temple and placed them in the treasure house of his god (i.e.- Bel) in the land of Shinar

Note: Cyrus, a type of CHRIST, had these vessels brought back to Jerusalem (Ezr 1:7)

- It is possible that the Antichrist will take some or all of the vessels of the Tribulation temple when he besieges Jerusalem and desecrates the temple in the middle of the Tribulation
- Where will the vessels for the Tribulation temple come from?
 - It is possible that they will be made brand new- the Temple Institute in Jerusalem is engaged in the activity of preparing vessels and priestly garments for the third temple

WELCOME TO THE TEMPLE INSTITUTE

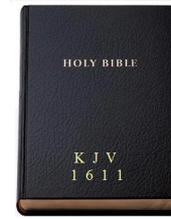

S **HALOM AND WELCOME** to the official website of the **TEMPLE INSTITUTE** in Jerusalem, Israel. The Temple Institute is dedicated to every aspect of the Holy Temple of Jerusalem, and the central role it fulfilled, and will once again fulfill, in the spiritual wellbeing of both Israel and all the nations of the world. The Institute's work touches upon the history of the Holy Temple's past, an understanding of the present day, and the Divine promise of Israel's future. The Institute's activities include education, research, and development. The Temple Institute's ultimate goal is to see Israel rebuild the Holy Temple on Mount Moriah in Jerusalem, in accord with the Biblical commandments. We invite you to read our [Statement of Principles](#). To learn more about the Temple Institute, click [here](#).

Please visit the [EVENTS](#) page, to keep updated on what is new on the site.

THIS SITE TELLS THE STORY OF THE HOLY TEMPLE in words and pictures. It is a story that spans the millennia, from the beginning of creation, to the establishment of the Third Holy Temple, as foretold by every prophet of Israel. Thus, it is a story still unfolding, the most exciting chapters being written now, in our own times.

AT THIS SITE, you may view photographs of the actual [sacred Temple vessels](#) that have been produced by the Temple Institute. Each vessel has been created by accomplished craftsmen. These vessels and priestly garments are being fashioned today according to the exact Biblical requirements, specifically for use in the future Holy Temple. They await the day when they will be called into the Divine service of the Holy Temple.

- It is also possible that they are the recovered vessels of the second temple—many rabbis believe that the vessels taken by Titus and the Romans in 70 AD have remained in Rome all these centuries and are currently possessed by the Vatican (see: *Mystery Babylon The Great (Pt.1)*, slides 283-291)
- It is possible that the Antichrist will take the temple vessels and place them in a treasure HOUSE built in the land of Shinar (Zec 5:11) for his god cf. (11:37-39,43)
- The words HOUSE and SHINAR appear in the same verse only 2x (Dan 1:2; Zec 5:11), so there is almost certainly a connection between the two

Dan 1:2

And the Lord gave Jehoiakim king of Judah into his hand, with part of the vessels of the house of God: which he carried into the land of Shinar to the house of his god; and he brought the vessels into the treasure house of his god.

Zec 5:11

And he said unto me, To build it an house in the land of Shinar: and it shall be established, and set there upon her own base.

- Some commentators believe Zechariah 5:5-11 supports the notion that the city of Babylon will be rebuilt in Iraq and fulfill all the prophecies regarding Babylon the Great
- But does Zechariah 5:5-11 state or imply that the CITY of BABYLON will be rebuilt? What can we glean from this difficult passage?

Zec 5:5-11

5 Then the angel that talked with me went forth, and said unto me, Lift up now thine eyes, and see what *is* this that goeth forth.

6 And I said, What is it? And he said, This is an ephah that goeth forth. He said moreover, This is their resemblance through all the earth.

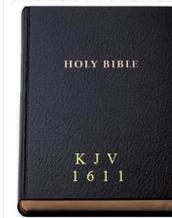

7 And, behold, there was lifted up a talent of lead: and this is a woman that sitteth in the midst of the ephah.

8 And he said, This is wickedness. And he cast it into the midst of the ephah; and he cast the weight of lead upon the mouth thereof.

9 Then lifted I up mine eyes, and looked, and, behold, there came out two women, and the wind *was* in their wings; for they had wings like the wings of a stork: and they lifted up the ephah between the earth and the heaven.

10 Then said I to the angel that talked with me, Whither do these bear the ephah?

11 And he said unto me, To build it an house in the land of Shinar: and it shall be established, and set there upon her own base.
